Vocational preparation (internship) 100% from now until 31.07.2023 (apprenticeship afterwards possible)

Do you want to work in a modern, multicultural, open and dynamic working environment? Then you've come to the right place!

Kita ylaa Basel stands for high-quality childcare and offers a challenging, versatile job in a multicultural environment. We offer full-day or half-day care for children from the age of 3 months until they start school. The supervision takes place bilingually in German and English. For more information, see www.ylaa.ch.

Effective immediately, we are looking for an intern 100% with option of an apprenticeship afterwards (sufficient German language skills required).

Your tasks:

- You support the Team in taking care of the children during every day activities

Unsere Anforderungen:

- You are an upbeat and cheerful person and show a lot of initiative
- You have team spirit and a sense of responsibility
- You speak fluently English or German
- You are willing to learn.
- Test result Multicheck or interlocking test

What we offer:

- A lively, friendly and professional team
- Professional guidance according to our internship concept
- Room for your own ideas

After the internship, you will have the opportunity to start the apprenticeship FaBe Betreuung Kinder with us (sufficient German language skills required). For further information, please also visit our website under the keyword "[Career](#)".
